

Amigo Bike Michiana

MCC BIKE MICHIANA DONATION FORM SEPTEMBER 13 – 15, 2024

The Bike Michiana project this year will raise money for MCC's project, "Water for the Future in Bolivia.". MCC is working to pipe spring water from the mountains for household use and irrigation, for families in the area of Potosí,

Bolivia, where water shortages are a very real threat. Gifts to MCC will also support local conservation efforts like tree planting. Investing in this community helps to protect water sources and land, while reducing the need for people to migrate. Protecting areas at high altitude above natural springs also helps to ensure that communities have sufficient water.
